HUGHES COMPANY COMING SOON

A genuine musical comedy company that will present a series of standard and popular comedies is scheduled to open at the Liberty theatre the latter part of this month. It is the "Bob" Hughes Company. Excepting the name everything pertaining to the coming organization will be new to the local theatregoers, and, according to Mr. Frankel, the advance manager of the company, it will be the most artistic and completely equipped seen in Honolulu for some years.

Several comedy stars of considerable magnitude are included in the roster, and judging from press clippings and photographs the company is as good as it is claimed to be by its management.

November 30th is the date decided upon for the opening and the reserved seats will be placed on sale Monday at the Liberty.
